EXPORT GUIDE

- **Discover your ideal car**

Select your desired car from reputable marketplaces such as Mobile.de or AutoScout24.de, and our team of specialists will assist you in the selection process, ensuring that you make an informed decision.

- **Confirm availability**

Our representative will contact the seller on your behalf to confirm the availability and condition of the car. We take every measure to ensure that you receive a car that meets your expectations and requirements.

- **Sign contract**

We work closely with the Egyptian Embassy in Berlin to prepare an official binding Contract, verified by a German Notar and the Egyptian Embassy. This ensures that the transaction is legally binding, secure, and transparent.

- **Complete payment**

Once the full payment is made, we will arrange for the car to be picked up by a reputable transporter and shipped to Alexandria, Egypt. We ensure that your car is shipped safely and securely, and we provide regular updates on the shipping status.

- **Shipping & customs clearance**

Our team of representatives in Egypt will handle all the necessary customs clearance procedures, ensuring that your car is cleared for import into Egypt. We will then arrange for the delivery of your car to your doorstep in Egypt, providing you with a seamless and hassle-free experience.

Thank you for considering our car export services. We are confident that we can meet your requirements and deliver a seamless experience. Should you have any questions or need further clarification, please do not hesitate to contact our dedicated customer support team. We look forward to the opportunity of working with you and ensuring a successful car export.

Sincerely,
